

Adopt-A-Block Partners With Centralia College SAAC

By The Chronicle | Posted: Wednesday, February 3, 2016 10:07 am

The Adopt-A-Block program has partnered with the Centralia College Student-Athlete Advisory Council to help further its stability.

The program, originally a grassroots organization, will remain under the same overall framework and mission. Participants who have adopted a block will still be encouraged to do quarterly cleanings and are encouraged to attend launches.

Tuesday, April 20, at 5:30 p.m. will be the first launch under the direction provided by SAAC. The location is yet to be determined.

The event will be an after-hours type of launch. Coffee and hors d'oeuvres will be served. Attendees will learn more about the council and what it has in store for the community.

Christian Bruhn, dean of academic transfer, will be the administrative liaison for SAAC and will be the initial contact for collaboration. He can be reached at cbruhn@centralia.edu.

For questions, program participants can email adoptablockcc@gmail.com.
