

Centralia College Enrolling for Free Fall Preschool

By The Chronicle | Posted: Thursday, August 20, 2015 4:02 pm

Centralia College's preschool classes are now enrolling for fall classes.

The college provides free preschool classes for children ages 3 and 4 years old as of Aug. 31 for eligible families through the Early Childhood Education and Assistance Program. Classes start in September.

Preschool classes are offered in Winlock, Onalaska, Pe Ell, Boistfort, Centralia and Chehalis. The Winlock and Onalaska programs are new this year.

"We're so proud to be able to expand our program and offer classes in Winlock and Onalaska," Teresa Schneider, Centralia College's preschool program manager, said in a press release. "We're excited to meet these new families and provide high-quality preschool education for these children."
