A new group at Centralia College will hold a car show on May 21 in the Technology Center parking lot on campus from 10 a.m. to 4 p.m.

The Vintage Wheels Car Club was founded in January. Despite its name, the club is not strictly for cars and welcomes motorcycles, tractors, trucks and hot rods. Food vendors will be at the car show, and a 5K run is scheduled for the morning.

The Technology Center parking lot is located at the intersection of King and Pear streets. Registration for both events will be available next month.
