Expanding Your Horizons Career Conference  

Girls participating in Dr. Brittany Fay’s women’s workshop at Expanding Your Horizons have hands-on experience dismembering a cat, preparing ultrasonic on an animal for pregnancy, and cutting out tumors removed surgically from dogs.

Dr. Fay for not only a person similar at EYH, but she was definitely(ll patient, Dr. Fay attended EYH in 1994 - 1996. "I wanted to be a vet since I was five years old. A guidance counselor recommended I get a summer experience of the profession as I could not be too certain on the career and the lifestyle," she said. EYH provided her an opportunity to stretch out and gain more in her own career and now can act as a role model to an inexperienced vet. "I take a day off of work to teach the workshop. Nobody else knows me, I don’t have to worry about teaching anyone else."
