By The Chronicle |

The Phi Theta Kappa chapter at Centralia College is asking for volunteers to help in cleaning a portion of China Creek Saturday, Nov. 15, from 10 a.m. to 2 p.m.

The group needs about 50 volunteers to clean the upper banks of the creek at the Kiser Natural Outdoor Learning Laboratory at the corner of Centralia College Boulevard and Washington Avenue. Anyone wishing to help should bring gloves and boots, and remember to dress appropriately for the weather.

Refreshments will be provided.

Phi Theta Kappa is hosting the cleanup event in recognition of National Philanthropy Day. They hope it becomes a quarterly tradition for their organization, which is the honor society for two-year college students at Centralia College.

To get involved, RSVP by emailing ccknollproject@gmail.com. Anyone is invited to help.
